ALUMINUM PLANTERS WARRANTY AND CARE

Deluxe Metal planters carry a 3-year limited warranty on build and structure and a 1-year limited warranty on powder coated finishes.

This limited warranty applies to defects that arise during normal use and does not apply to damage during shipping, accident, alteration, misuse, negligence, or normal wear and tear.

Deluxe Metal will not be directly responsible for any damages sustained to the customer, it's employees or others in the handling, use, storage, quality or condition of the product unless damages are shown to be directly caused by us.

Use installation instruction to correctly position and install product. Correct mounting hardware and the method of mounting of the product are imperative to user safety.

It is assumed customers are responsible for parts, components or hardware supplied by the customer or specified by the customer and supplied by Deluxe Metal Fabrication at the customer's request.

Deluxe Metal Fabrication Inc. reserves the right to revise technical specifications at any time without prior notice.

Caring for your Deluxe Metal planters:

Proper care will extend the life of your planter.

- Clean regular with a soft damp or, when needed with a mild diluted cleaner.
- Check on a regular basis for cracks, loose screws, nuts, bolts and structural damage and should be repaired immediately.
- DO NOT pressure wash your planter.
- Handle with care as metal can get nicks and scratches. If necessary, touch up paint can be applied.
